2015 CABERNET SAUVIGNON

Cassata Vineyards
Sonoma Valley, Sonoma County

VINEYARD

The Cassata Vineyards are situated in beautiful Glen Ellen, California. This area is known for its outstanding growing soils and climate. The vineyard was re-established along the gentle rolling hills. In the center of the property, a pond has been incorporated to act as a beautiful oasis for local wildlife. The pond also provides a much needed water resource. The entire property is managed bio dynamically so that future generations can enjoy a pure and simple refuge in this isolated valley.

VINTAGE

85% Cabernet Sauvignon, 15% Merlot;
aged for 22 months in 25% new French oak barrels.

TASTING NOTES

The Cabernet Sauvignon grapes in this wine are grown in deep rocky soils. The fragrant approach brings you right into the vineyard and creates a sense of place. This wine boasts aromatics of ripe berries, cherries, and dried roses. On the palate, raspberry, pomegranate, white cherry, with notes of cedar and fresh leather. Elegantly balanced with a dash of Merlot, this wine displays a strong tannin structure up front, yet finishes with a silky texture. A pleasant surprise for such a bold and youthful wine. Enjoy now through 2025.

Enjoy-

Michael Muscardini
