2017 CABERNET SAUVIGNON RESERVE

Cassata Vineyards, Sonoma Valley

VINEYARD

Cassata Vineyards is located in beautiful Glen Ellen, California. This area is known for its outstanding growing soils and climate. The vineyard was re-established along the gentle rolling hills. In the center of the property, a pond has been incorporated to act as a beautiful oasis for local wildlife. The pond also provides a much needed water resource. The entire property is managed bio dynamically so that future generations can enjoy a pure and simple refuge in this isolated valley.

VINTAGE

This outstanding Reserve blend consists of 81% Cabernet Sauvignon and 19% Merlot all from the beautiful Cassata Vineyards Estate in Sonoma Valley.

TASTING NOTES

From the moment it's poured into the glass, this blend is highlighted with lofty scents of ripe fruits, cured meats, dried herbs, nutmeg, tobacco, leather, and cigar box. In the glass, these aromas are complemented with deep flavors of dark cherry, huckleberry, cassis, black plums, chocolate truffles, earth, and baking spices. On the palate, these full-bodied flavors are further enhanced with vibrant acidity, supple tannins, velvety texture, and an elegant dry finish.

Try this complex wine with richer cuisine including blue cheeses, grilled pork chops, beef bourguignon, dry aged ribeye, or braised lamb shank.

Enjoy with family and friends!

Enjoy-

Michael Muscardini
