## 2018 CABERNET SAUVIGNON

Cassata Vineyards, Sonoma Valley

### VINEYARD

Cassata Vineyards is located in beautiful Glen Ellen, California. This area is known for its outstanding growing soils and climate. The vineyard was re-established along the gentle rolling hills. In the center of the property, a pond has been incorporated to act as a beautiful oasis for local wildlife. The pond also provides a much needed water resource. The entire property is managed bio dynamically so that future generations can enjoy a pure and simple refuge in this isolated valley.

### TASTING NOTES

Full-bodied with a deep red hue and flecks of purple, this wine boasts concentrated aromas of ripe berries, dark fruits, bittersweet chocolate, black tea, leather, tobacco, wild sage, fresh earth, and roasted nuts. On the palate, the classic Cabernet notes of ripe blackberry, fresh currants, dark plum and cherry are well-integrated with hints of balsamic, black trumpet mushrooms, and layers of rustic spices that reflect the untamed beauty and natural intensity that reflect the character of this hand-tended vineyard. With a silky texture, supple tannins, firm structure and a lingering finish, the wine becomes more elegant, graceful, and complex as it opens in the glass.

Pairs well with grilled steaks, Osso Bucco, braised meats, dark chocolate desserts, and cigars by the fireplace.

Enjoy with family and friends!

Enjoy-

*Michael Muscardini*
