

2006
Napa Valley
Cabernet Sauvignon
Reserve

Vineyard:	100% Bingham Ranch, Napa Valley
Composition:	96% Cabernet Sauvignon 4 % Merlot
Harvest Date:	Oct 27 ~ Nov 4, 2006
Sugar at Harvest:	25.2 Degrees Brix
Total Acid:	.69 gm/cl
ph:	3.37
Fermentation:	Hand picked, 5 days cold soak at 50 degrees, pumped over 3 times a day, fermentation temp. to 90 degrees, extended maceration for 20 days, D-80 and Monte Rosso yeast.
Aging:	22 months in 100% French Oak from 10 different French Coopers; Vicard, Seguin Moreau, Ermitage, Boutes, Jarnac, Bel Air, St. Martin, Billon, Trieul, and Chalufour, 100% new oak.
Bottling Date:	February 2009
Release Date:	April 2011 (Pre-release)
Production	600 750ml Cases and 200 cases 375ml

Vineyard

Bingham Ranch- The Bingham Ranch in Calistoga is one of the oldest cabernet vineyards in the Napa Valley, dating back to 1850s. There are three parcels of vines used in our cabernet, one is 55 years old another is 35 years old and the third is 17 years old. It is a small berry clone with very low yields, approximately one and a half tons per acre. The resulting fruit is very intensely flavored with a rich dark blackberry profile that makes intensely structured cabernet sauvignon.

Cellar Practices and Winemaking

Perfectly ripe grapes were harvested in late October early November 2005. They were crushed into a stainless tank and cold soaked at 50°F for 5 days. The temperature was increased to 70°F, and cultured yeast fermentation started and lasted thirty days at a peak temperature of 90°F. The grapes were gently pressed and the resulting wine racked into barrels, which were 100% new French oak 60 gallon barrels from ten different French coopers: Vicard, Seguin Moreau, St. Martin, Billon, Trieul, Ermitage, Boutes, Jarnac, Bel Air and Chalufour. The Cabernet was blended in the classical way with small amounts of Cabernet Franc added from an El Dorado vineyard. The wine was aged for 28 months in oak and given an additional 18 months of bottle age prior to release.

Winemaker's Comments

This 2006 R&B Reserve Napa Valley Cabernet Sauvignon is an extraordinary wine with remarkable depth and complexity. It exhibits a huge core of dark black cherry fruit with elements of dark black currant, tea, blackberry and violets in the bouquet. The small addition of Merlot enhances the mouthfeel, adds complexity, and a touch of sweet cherries. The flavors of dark black berry, currants, chocolate, and cassis are evident, with a huge juicy blackberry finish. This wine is a classic Cabernet Sauvignon with all of the exotic spice and layers of fruit you would expect from a Reserve wine.
