2012 SANGIOVESE

Alpicella Vineyards
Sonoma Valley, Sonoma County

VINEYARD

Alpicella Vineyards lies high above Sonoma Valley. This organically farmed vineyard has been lovingly hand tended by Dan Sanchez for over 21 years.

VINTAGE

The grapes were hand-picked, rushed to the winery and cold soaked for three days. We used BM-45 premium yeast to ferment, the same yeast used on the great Brunello wines from Italy. 100% Alpicella Sangiovese.

TASTING NOTES

An expressive wine with deep aromas of fresh picked red berry, licorice, earth and roasted chestnuts. Deep flavors of ripe plum, black raspberry, wild strawberry, chocolate, black trumpet mushroom and savory spices. This full-bodied wine has a lingering finish and complex flavors which reward the palate with each sip.
