

The Beau Vigne Collection

AURA

Our Napa Valley winery is devoted exclusively to making influential luxury Cabernet Sauvignon and Cabernet Sauvignon Blends. Taking inspiration from our founding winemaker Dave Phinney who sought out to make red wines that would compete with the greatest wines of the world. This tradition was enhanced by the addition of winemaker Kirk Venge in 2008 through 2018/19 who obtained a perfect 100 Points from Robert Parker's Wine Advocate. Present-day winemaking is now in the hands of genius Julien Fayard who hails from Château Lafite-Rothschild and Atelier Melka before becoming the most brilliant new winemaker in Napa Valley.

2023 AURA NAPA VALLEY CABERNET SAUVIGNON

AURA is a Napa Valley Cabernet Sauvignon from The Beau Vigne Collection, defined by depth, structure, and clarity of fruit. Aromas of blackberry and plum are layered with cedar and subtle spice, leading into a palate that is rich, concentrated, and finely textured. The wine shows both power and restraint, with a composed structure that carries through a long, polished finish.

WINEMAKER NOTE

The 2023 vintage shows depth and clarity, with concentrated dark fruit and a polished, seamless texture. Layers of plum, fig, and cherry are complemented by subtle herbal notes, violet lift, and hints of baking spice. The palate is balanced and composed, with integrated structure carrying through to a long, refined finish.

WINE DETAILS

100% Cabernet Sauvignon
14.9% Alcohol, 0.51 TA, 3.73 pH
Aged 16 months in 100% french oak.

94 POINTS - DECANTER

Opulent dark fruited with blackberry and ironstone mineral character, blue fruit notes, and violets with crushed cocoa nibs nuances and a long dark chocolate and mineral-scented finish. Ultra delicious and quite lengthy.
