

CABERNET SAUVIGNON
Howell Mtn x Napa Valley
2023

Winemaker Notes

Grown at elevation on Howell Mountain, this Cabernet Sauvignon offers layers of blackberry and dark cherry with subtle hints of cedar, cocoa, and toasted oak. Rich and concentrated, it is supported by fine tannins and fresh acidity that bring balance and length to the finish. Approachable today, it also has the structure to reward additional time in the cellar.

BLEND COMPOSITION

100% Cabernet Sauvignon

AGING

21 months in French oak barrels:
50% new and 50% second-use (two-year-old) barrels

FRUIT

Clean & Sustainable • Hand-Harvested
Small Lot Production

Alcohol: 13.9%

OUR STORY

Lots of people ask, what does X stand for?
That's the beauty of it; no one really knows.
It's the mystery that keeps you guessing, the unknown waiting to be discovered.
