2023 TRE LEONI

Napa Valley Red Wine

TASTING NOTES

This blend has depth, balance and big flavors. The nose evokes hints of red currants, fresh strawberries, black plums, vanilla and notes of cocoa dust. On the palate, it bursts with fruit ranging from black and red currants, red cherries, mixed berry compote and toasted hazelnuts. This wine has great texture that ultimately finishes with round, silky smooth tannins. Enjoy Tre Leoni with your next barbeque and when gathering with family or friends.

WINEMAKING

Three generations of the Leonardini Family (Tre Leoni) are responsible for this proprietary blend of Cabernet Sauvignon, Merlot and Malbec. Whitehall Lane and the Leonardinis are known for making elegant, sophisticated Cabernets. Tre Leoni, while a serious blend, is a little fun and distinctly delicious. Each grape varietal was fermented and aged as separate lots in 25% new French oak, 75% neutral French oak barrels. Winemaker Jason Moulton tasted through each lot and put the final blend together after aging for 10 months. This wine was bottled unfined and unfiltered.

VINTAGE

The 2023 vintage is being hailed the vintage of a lifetime. Winter and Spring brought roughly forty inches of rain, which provided a boost for Sonoma Valley. This vintage moved California out of a drought and into a good position for years to come. Budbreak arrived 2 weeks later than the 2022 vintage due to the spring rain events. The moisture in the soil led to a perfect flowering condition in the vineyard, which provided an even crop with perfect fruit set. Summer was moderately warm, allowing the grapes on the vine to develop slowly. Autumn had a few hot days, that pushed the vines into perfect maturity, leading to a late harvest season. The consistent summer and fall weather encouraged our Cabernet Sauvignon, Merlot and Malbec grapes to ripen in mid-October.
