

Athair Wine

2007 Pinot Noir

**Great Gift
Idea for
Dad!**

Our 2007 Russian River Valley Pinot Noir was produced from two select vineyards in the Russian River Valley. The grapes were harvested in early September and after a five

day cold soak and an eight day fermentation, the wine was stored in 25% new/ 75% neutral French oak barrels, going through malo-lactic fermentation and stored for nine months. The wine was then blended, bottled, and set aside for further aging before its release.

Our 2007 Pinot Noir features savory herb, dried cherry and wild berry fruit flavors with touches of sage and fresh earth aromas. An excellent pairing with Asian dishes, grilled salmon, pork tenderloin, or simply enjoyed with friends on a cool evening!

Athair: Irish Gaelic for 'Father'

In tribute to the profound role a father plays in life.
