### *The Wine*

The wine has rich aromas of ripe tropical fruits, creamy toasty oak, and a little bit of buttery tones. On the palate, the wine is very well balanced with ripe fruits and balanced acidity.

### *The Story...*

Our 2012 Maroon Reserve Chardonnay was harvested from the Oak Knoll District on October 4, 2012. This wine was whole cluster pressed, then cold-fermented in French Oak. This wine also underwent malolactic fermentation to further soften the acidity and give the wine a nice balanced mouthfeel.

### *The Bottom Line*

*Drink Upon Release through 2015.*
