**2009 TESORO (Treasure)**  
PROPRIETARY RED BLEND  
SONOMA VALLEY, SONOMA COUNTY

VINEYARD

*All three vineyards for our Tesoro lie in the Sonoma Valley. The Sangiovese is from the famous Monte Rosso Vineyards. The Cabernet is from our next door neighbor, Ty Caton Vineyards, and the Syrah is from Deerfield Ranch Vineyards.*

VINTAGE

*The 2009 vintage was a changing year weather-wise. We worked overtime in the vineyards and it shows in the quality.*

WINEMAKING

*Each of these varietals was fermented separately and blended three months before bottling. This graceful, authentic blend was made in a Super Tuscan style.*

TASTING NOTES

*Enjoy the aromas of mulberry fruit and floral honeysuckle with vanilla and cinnamon spice. Savor the dark ripe fruit with a big tannin structure and a nice chewy finish. This is a very complex and delicious wine. Made for food wine pairing. Drink now or cellar for seven to ten years.*

Enjoy ~

*Michael Muscardini*
